

## Intent

Every child—regardless of gender, ability or background—will have the opportunity to learn throughout a diocese linked curriculum that provides opportunities for the children to reflect, discuss and explore more about the world in which they live. The curriculum provides children with the knowledge of different religious traditions, celebrations, stories and values. Our RE curriculum helps pupils develop an understanding of themselves and others as well as respecting differences. Lessons will promote the spiritual, moral, social and cultural development of individuals and communities.
